# Cloudberry Blanket

Design by Johanna Lindahl / Mijo Crochet

Please note that this pattern is for personal use only.

**Difficulty level:** Easy / intermediate

This blanket is worked in rounds as a big hexagon which means it will have six sides and six corners. In every corner there is always 2 chains. Stitches between [ ] after each row tells you how many stitches you should have on each side when that row is done.

**Yarn:** [Scheepjes Eliza](#) 100 g, from [Favoritgarner.se](#).

For the blanket on the picture following colours were used: 212, 213, 217 and 223. There was yarn left on all skeins and the weight of the blanket is 200 g, which is exactly what 2 skeins weights.

**Hook:** 5.0 mm

**Gauge:** 13 dc = 10 cm and 8 rows = 10 cm

**Size:** If you use the same yarn and gauge as indicated the blanket will measure approximately 85 cm between two tips, and 75 cm between two sides (across the blanket).

**Stitches used in this pattern (US terms):**

Ch - Chain  
Sl st - Slip stitch  
Sc - Single crochet  
Dc - Double crochet  
Tr - Treble  
Puff \*

Stitches marked with \* are explained [here](#).
