

# Bitsize Bunny

Design by Johanna Lindahl / Mijo Crochet

This pattern is for personal use only

## Materials:

### Yarn:

- Approx. 8 g of Scheepjes Catona (100% Mercerised Cotton; 50 g/125 m).
- Small amounts of yarn for the eyes, nose and cross stitches.

### Hook:

- Crochet hook 3.0 mm.
- (Tunisian crochet hook 3.0 mm)

The squares made of tunisian simple stithes are so small that you can use a regular crochet hook to make them.

**Small amount of filling**

## The Body:

The body is made of two squares crocheted with the tunisian simple stitch.  
Use a tunisian crochet hook or a regular crochet hook size 3.0 mm.

Make **two** squares as follows:

### Foundation row:

**FP:** Ch12, 1 foundation row st in each ch starting in the second ch from your hook (12 loops on the hook).

**RP:** Ch1, (yo, pull through 2 loops on hook) across until 1 loop remains on hook.

|12 sts|

---

Row 1-12:

**FP:** (Tss) until end of row, ls.

**RP:** Ch1, (yo, pull through 2 loops on hook) across until 1 loop remains on hook.

|12 sts|

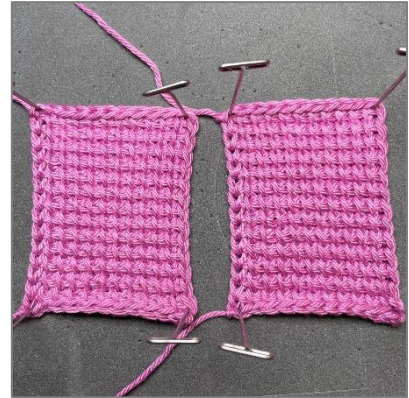

**Last row:**

**FP:** Bind off with slip stitches.

**RP:** There is no reverse pass.

Cut yarn and weave in ends.

Your little squares will curl, that is normal and will not show in the final result.

## Face and embroidery:

Use a small amount of cotton yarn (approx. 30 cm) to embroider the eyes and nose on one of the squares. My nose is embroidered in the middle of row 8.

Use a small amount of cotton yarn (approx. 45 cm) to embroider the cross stitches (“sweater”) at the bottom of the same square.

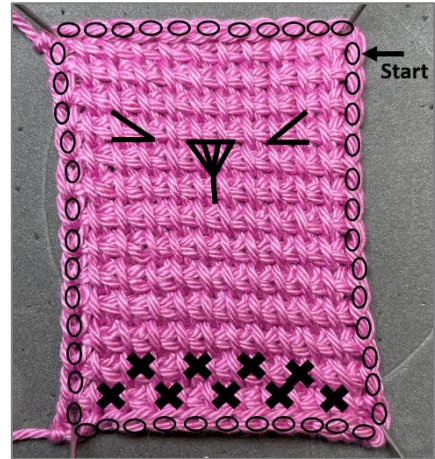

## Ears, arms and legs:

You will now **crochet the two squares together** with sc, working your stitches through both squares. At the same time we crochet the ears, arms and legs as we go. Each square is 11 stitches wide and 13 stitches high (See chart on next page).

- Put the squares together with the wrong side against each other.
